ABOUT US

Marie International Company was established in 2023 in Borås / Sweden. As a supplier of **Home, Office and Garden Furniture**, we are also preparing retail sales for our individual customers on the way we started as a wholesale furniture seller in Scandinavian and European Regions.

We will reflect the light of Marie to your life with our high quality and modern furnitures in accordance with International standards.

Material, size and color changes are made for our products in the images.

Let's choose the most suitable option for you together with our professional partners to supply project-based special products.

You can choose our furnitures for collective workplaces, hotels, banks and all kinds of living areas.

For information and request form, you can get information from our e-mail address.
